ELIGIBILITY FOR FUNDING AND HOW TO CHECK

To find out if your family is eligible for the working parent element of funded childcare, please visit the following website: www.beststartinlife.gov.uk.

FUNDED HOURS AT TODDLERS DAY NURSERY

We are pleased to offer funding all year round. While funding is often advertised as 15 or 30 hours per week, this is spread across the entire year. Therefore, the actual number of funded hours your child receives each week may be slightly less.

Costs Not Covered by Funding.

Please note that the funding provided by Tameside Council does not cover all costs associated with your child's place at the nursery. For example, meals are not included within the funded hours.

MEAL ARRANGEMENTS

Families have two options regarding meals:

- **Provide a packed lunch**, in accordance with our Pack Lunch Policy.
- **Pay a small additional charge** for meals prepared by our Nursery Chef.

The fee for meals is £6 per day, which includes both meals and snacks and is payable in addition to any funded hours.

Additional Support with Childcare Costs.

You may be eligible for additional support through the Government's Tax-Free Childcare Scheme. For more information

please visit: Tax-Free Childcare - GOV.UK.

IMPORTANT NOTE FOR UNIVERSAL CREDIT CLAIMANTS

Please be aware that Universal Credit claimants do not have the cost of food covered if their child attends additional hours beyond the funded hours.

If you have any questions or require further assistance, please do not hesitate to contact us. We are here to support you and your family.
